

## ***PARKING LOT SIGNS***

The City of Arlington's policy for signs to direct persons to parking lots around the Ballpark, as expressed in this notice, is extended for the purpose of identifying the entrances of private parking lots. These provisions are designed to allow temporary directional signs on game days without resulting in an excess.

1. Schedule: Signs will be allowed on game days (between 2 1/2 hours before games and 1 hour after)
2. Size and Height: Signs shall not exceed 24" x 30" in size, nor be installed more than three feet above grade.
3. Sign Locations:
  - (a) Signs may not be closer than 40 feet to a street intersection.
  - (b) Signs must be placed behind sidewalks (cannot be placed in the area between a street and a sidewalk). Signs should not obstruct sidewalks. Where there is no sidewalk, signs shall be placed no nearer than 10 feet from the edge of the sign to the street curb (or edge of pavement).
  - (c) Signs shall not be placed in a motorist "visibility triangle" (Article 9 of the Street Ordinance). Generally, if a sign is close to blocking motorist visibility, it should be moved (see "a" above).
  - (d) One sign is allowed at each driveway.
  - (e) The State Highway Department prohibits signs within any State right-of-way.
  - (f) Signs may not be placed within any street median.
4. Signs should be rigid, 2-dimensional displays guiding the motorist to a specific location.
5. Signs shall not be permitted on utility poles or other appurtenances in the City right-of-ways.
6. It shall be the responsibility of the person placing a sign to secure permission of the property owner for the placement of a sign. This policy does not grant unlimited access and use of the City right-of-way.

Violations of this policy may be cause for sign removal and disposal, citation and other legal remedies. Please help us maintain a neat and orderly appearance throughout all of Arlington.

Should additional information be needed, please contact a sign inspector at 459-6508 (or 6509). This policy is subject to change without notice.
